 - Village Staff present: Village Engineer Mark Lattner

APPROVAL OF MINUTES

November 24, 2008, January 26, 2009, and March 30, 2009

Revise March 30, 2009 meeting minutes

AGENDA ITEMS

1. Volunteer Road Right-of-Way Cleanup. Information concerning the volunteer road cleanup was reviewed. The Illinois Department of Transportation has forms and training programs for any interested groups. The County does not have a program for volunteers. The County uses people ordered to do Community Service hours.
2. Ponds Drainage Study. JKL received a review letter on the Ponds Drainage Study. IDOT is requesting the Village look at different options prior to discussion of increasing the flow from the subdivision.

3. Storm Sewer Program. JKL is requesting the authorization to put together bid documents for the storm sewer program. The Committee voted unanimously to recommend to the Village Board to go out for bids on the storm sewer program.
4. South Barrington Green Drainage. Denise Cosmas discussed the problems and possible solutions to the drainage issues. Paula McCombie and Committee stated the Village cannot work on private property. JKL will e-mail the name of the contact person at the County to Denise Cosmas .
5. South Barrington Green ROW Maintenance. Reviewed the Beechnut right-of-way and the trimming of the landscaping within the right-of-way. A letter will be sent to the homeowners and HOA. JKL will evaluate the plantings. What are the rules for plantings, what type of plant, and where will they be planted?

STAFF REPORTS – VILLAGE ENGINEER UPDATE

1. Updates.
 - Snowplow and Mailbox Repairs. JKL will be sending to Plote the final landscape repairs from the snowplow damage. The mailboxes will be checked for completion of the final repairs.
 - 34 Beechnut Ditch. JKL is trying to get Winters Landscaping to give us a schedule of when they would be starting this project.
2. Open Issues. The landscaping that the Coves Subdivision has placed at the edge of pavement is to be reviewed.
